Pikes Peak Watercolor Society Signature Candidate Agreement

I, _____, am aware the Pikes Peak Watercolor Society (PPWS) was founded to promote, educate and encourage artistic excellence in watercolor painting among members and within the community. I agree to participate and work collectively toward the goals set by the PPWS. I understand the PPWS expects me, as a Signature Member, to be a watermedia artist showing a personal direction, professional presentation, developed skill, originality and quality standard.

I verify the paintings I exhibited in the PPWS approved watermedia exhibits, at least one of which is a Colorado PPWS approved show and listed on my Signature Membership Application, are original and in accordance with the following:

1. Not a copy or likeness of another person's photograph, drawing or painting;
2. My own venture from concept through execution; and
3. Accomplished without benefit of direct class/teacher supervision.

Documentation verifying acceptance (i.e., catalog, official listing of artists, letter of acceptance, etc.) of the shows I have been accepted into within the last ten years are included with this agreement.

I understand that, as a Signature Member, PPWS encourages me to attend monthly meetings, to participate in PPWS exhibits, hold office and chair and serve on committees. I may also use the initials "PPWS" as part of my artist's signature on paintings. In order to maintain my Signature Membership, I must keep my membership current by paying annual dues by January 1st of each year.
